Baris Koca

BUSINESS MANAGEMENT • TECHNICAL CYBER SECURITY • WEB DEVELOPMENT

London, UK | +44 7861 623903 | bariskoca@proton.me | profilebk.netlify.app

Dedicated professional blending strong business management expertise with hands-on technical skills in web development, network security, and ethical hacking. Proven track record of managing teams, optimizing operational efficiency, and maintaining strict compliance in fast-paced environments. Seeking to leverage leadership and technical capabilities to drive success in a dynamic organization.

WORK EXPERIENCE

Transport Manager
2017 – 2024

Sole Trader | London

- Coordinated transportation activities across clients, suppliers, and partner companies.
- Monitored compliance with safety regulations, proactively mitigating operational risks.
- Scheduled and tracked vehicle maintenance to minimize unplanned downtime.
- Developed and monitored company budgets, ensuring strict financial oversight.

Office Manager
2016 – 2017

Abbey Cars Ltd | Hackney

- Managed operations for a fleet of 15–30 minicab drivers and vehicles safely and efficiently.
- Allocated daily tasks, route optimizations, and handled prompt issue escalations.
- Provided remote troubleshooting support for drivers on the road.
- Implemented robust safety protocols and routine vehicle check systems.

Shift Manager
2015 – 2016

Bagel Bar | Waterloo

- Supervised front-of-house operations and ensured strict food safety compliance.
- Managed staff scheduling, daily register reconciliation, cash deposits, and conflict resolution.
- Controlled inventory levels, placed supplier orders, and minimized waste to boost profit margins.

Shift Manager
2012 – 2015

7 Oaks Grill | London

- Directed floor and kitchen teams during high-volume hours to maintain fast service.
- Onboarded and trained new staff on hospitality standards, POS systems, and health & safety.
- Oversee daily opening/closing routines, supplier deliveries, and overall floor readiness.
